Mapping the Secret Path

The Gord Downie & Chanie Wenjack Fund, Manitoba Education and MapToLearn are proud to offer a workshop for Manitoba teachers.

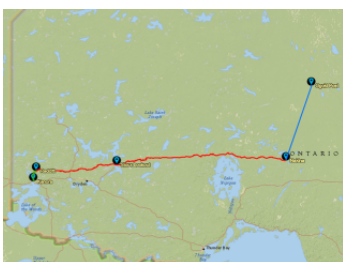

Participants will:

- Learn about the impact of residential schools through the story of Chanie Wenjack's life.
- Integrate inquiry into your classroom using ArcGIS Online tools.

Workshop participants will receive student-learning resources.

For more information on the book, music and art of the Secret Path go to <http://secretpath.ca>.

Maps, layers, story maps and resources will all be shared with participants to use with their students.

Charlene Bearhead, Co-Chair of the Downie-Wenjack Fund, will present a perspective on residential schools.

Date: November 14, 2017

Time: 9:00 am - 3:30 pm

Location: 1567 Dublin Ave., Wpg,
MB

Registration: Please email Linda Connor by November 10, 2017 at linda.connor@gov.mb.ca

Upcoming Workshops & Conferences

MTS PD Day (Updated)

The Manitoba Social Science Teachers' Association

ArcGIS Online sessions at MSSTA.

1. **MS-5 Creating a Collaborative Field Study with ArcGIS Online (Angela Alexander - Esri Canada)**

In this hands-on session, teachers will learn how to create a collaborative field study using an interactive survey tool in ArcGIS Online. We recommend that you bring a smartphone or tablet to this session.

2. **MS-25 ArcGIS online, Learning the Basics of Digital Mapping (Pat Adams and Rod Epp - MapToLearn and Manitoba Education)**

In this hands-on workshop learn the basics of Esri's ArcGIS online digital mapping tool, creating maps that can be used for inquiry and analysis. This workshop is designed for teachers new to digital mapping and those with some experience wishing to review and practice their mapping skills.

3. **MS-29 Storytelling with Story Maps (Angela Alexander - Esri Canada)**

Story Maps let you combine authoritative maps with narrative text, images, and multimedia content. They make it easy to harness the power of maps and geography to tell your story. In this session, you will learn how to build your own story map and leave with the resources you need for students to build story maps, too.

4. **MS-33 Creating Story Maps Online (Pat Adams and Rod Epp - MapToLearn and Manitoba Education)**

Using ArcGIS online, a web based mapping tool by Esri, participants will create a map and then use the map to build a Story Map. As all Manitoba teachers and students can hold accounts with Esri, this workshop will provide first time users with a hands on opportunity to learn the basic skills and explore the galleries of maps and Story Maps.
